

Introduction of New Building Administrators

September 7, 2022

Sopia “Sunny” Sinco, Assistant Principal Cascade Middle School

Sunny began her career teaching Language Arts and Social Studies at Dimmitt Middle School in Renton School District. Most recently, she served as the founding principal of Impact Public Schools. She earned a bachelor’s from UCLA, a Master of Education from University of Washington, and completed her Danforth Principal Certification Program at the University of Washington. Sunny is most proud of the ways that she lives out her commitment to growth as demonstrated through her achieved fellowships with Great Minds' Wit & Wisdom, Education Elements, and WA Charters. Each learning opportunity fostered her leadership and deepened her core values in service of her impact with scholars, families, and staff. In her downtime Sunny likes to travel, garden and play with her service dog Ballo.

Riley Todd, Assistant Director of Alternative Education Programs

Riley began his career in youth services in 2010. He has worked in multiple sectors including juvenile justice, therapeutic residential services, youth workforce development, and secondary alternative education. Most recently he was the Alternative Learning Center Program Manager at New Start High School. He holds a bachelor’s from Whitworth University and a master’s from Seattle University. He is most proud of being the founding leader of the Summer Earn & Learn Student Work/Credit Program that helped establish the New Start High School Community Garden. On a personal note, Riley is getting married this year and looks forward to building a family.
