

# Youth Aerospace Program

The Goodwill Youth Aerospace Program at Renton Technical College is a two-year program which provides high school students with a smooth transition through their senior year toward a career in aerospace.

The program helps build strong soft skills and connects students with future career opportunities in the **aerospace/advanced manufacturing industry**.

## REQUIREMENTS:

## COMMITMENTS:

## TO APPLY:

## THIS UNIQUE PROGRAM OFFERS:

- Service learning, civic participation, team building, college and career readiness to prepare students for both their senior year and work.
- Ongoing support and Saturday workshops throughout the students' senior year to ensure they are on track for high school graduation and ready for college programs in aerospace.
- Up to four quarters of aerospace/advanced manufacturing classes at Renton Technical College as well as ongoing college and career navigation and support services.

## PROGRAM DETAILS:

- The Youth Aerospace Program is a two-year commitment.
- The program will enroll 20 students that will be selected through an interview and application process.
- This opportunity is free to qualifying students.
- Participants will receive a financial stipend based upon attendance and participation.
- Students are expected to attend weekend workshops and activities throughout their senior year.
- During the program, students will take field trips to aerospace/advanced manufacturing companies such as Boeing, and network with aerospace industry experts and local community leaders.
- Students participate in service learning, civic participation, team building, and college and career readiness to prepare for both their senior year and work.
- Students will begin professional and technical classes at Renton Technical College in the second summer session.
- Students completing the program will receive an aerospace/advanced manufacturing credential from Renton Technical College, and job placement assistance.
- Those students interested in the program and a parent/guardian must attend an orientation, which will address questions, and complete paperwork.
- In order for a student to complete their application, a parent or guardian must be present to sign all the necessary releases and waivers.
- Bring a picture ID and Social Security Card.
